

10 Reasons To Be Our Customer

10, no, 11 great reasons to become a 4 Views TradeSoft customer!

You WILL Save Time and Money Everywhere!

Becoming

a TradeSoft user opens new doors for your business by saving time and identifying cost saving areas. You will be able to make profitable decisions quickly because for the first time you will see with clarity where you are and are not making money. You will be able to quote more work in less time and run your factory floor with greater precision. Eliminate the guesswork and get to really know your business.

Expert Technical Support

We

believe in TradeSoft because we are manufacturing industry people ourselves. We know it works, we know how it works and we know what support you need to get the most out of it. If you run in to any difficulties at all, you can rely on us to hold your hand and keep you moving forward.

Quality Software

TradeSoft

is backed by 15 years of development, with enhancements driven by the needs and wishes of one thousand customers. The software developers are experienced IT and technical writers and each upgrade is thoroughly tested before release to you.

Free Upgrades and Support for One Year

TradeSoft

comes with a full year of free upgrades and technical support. By continuing a support contract, you never pay extra for upgrades, support or scheduled training.

Thorough Documentation

Comprehensive,

easy to read documentation includes a detailed user manual and even tutorial material. Written by professional technical writers, it all makes sense!

Extremely Easy to Use

TradeSoft

is designed with the end user in mind. Modern screen designs and intuitive processes that follow standard practices mean that navigation is a cinch.

Fast Response Times

One

of the biggest compliments we continually receive is that our response time is excellent. We jump on questions right away and get you an answer quickly.

Unlimited Training

For the first full year and for those on a continuing support contract, you can attend scheduled training as many times as you wish. New staff? Not a problem, they are welcome to attend the next scheduled training session. Or watch a recording! We deliver training in bite sized pieces to have you fully functional in an easy to follow way. You'll never have to wonder where to start!

Easy to Install

TradeSoft is easy to install because we guide you through the process. Provided to you by download with a backup on CD, we make sure the application is correctly installed for you, and show you how to manage and troubleshoot future upgrade installs.

All Inclusive Support Contract

An annual support contract includes all upgrades, fixes, enhancements, technical support and scheduled training. This means that the tool that supports your business is always up to date and you can refresh your knowledge or train new users whenever you need to.
